JAYDEN & ERIC

This slut has a hunger for cock that just won't quit...

“I can tell you're the kind of guy who loves to get his hands on a pair of big cans," Jayden said to Eric as he was pawing and sucking at her mountainous rack.

Eric continued to manhandle Jayden's tits a while longer as she put her own hands to work on setting his cock loose from his bulging jeans.

With the lengthy fleshpipe exposed, Jayden knelt before him, taking every inch of him into her throat. When she had satisfied her hunger for meat, Jayden declared it was time to take his hot rod for a ride.

Eric postured himself on his back, pointing his hard cock towards the sky as Jayden straddled his boner.

The dirty duo banged until their bodies ran with sweat, then Jayden wanted to take her turn in the submissive role. She posed herself facedown on the cushion and Eric slid the cock into her in the scissor position.

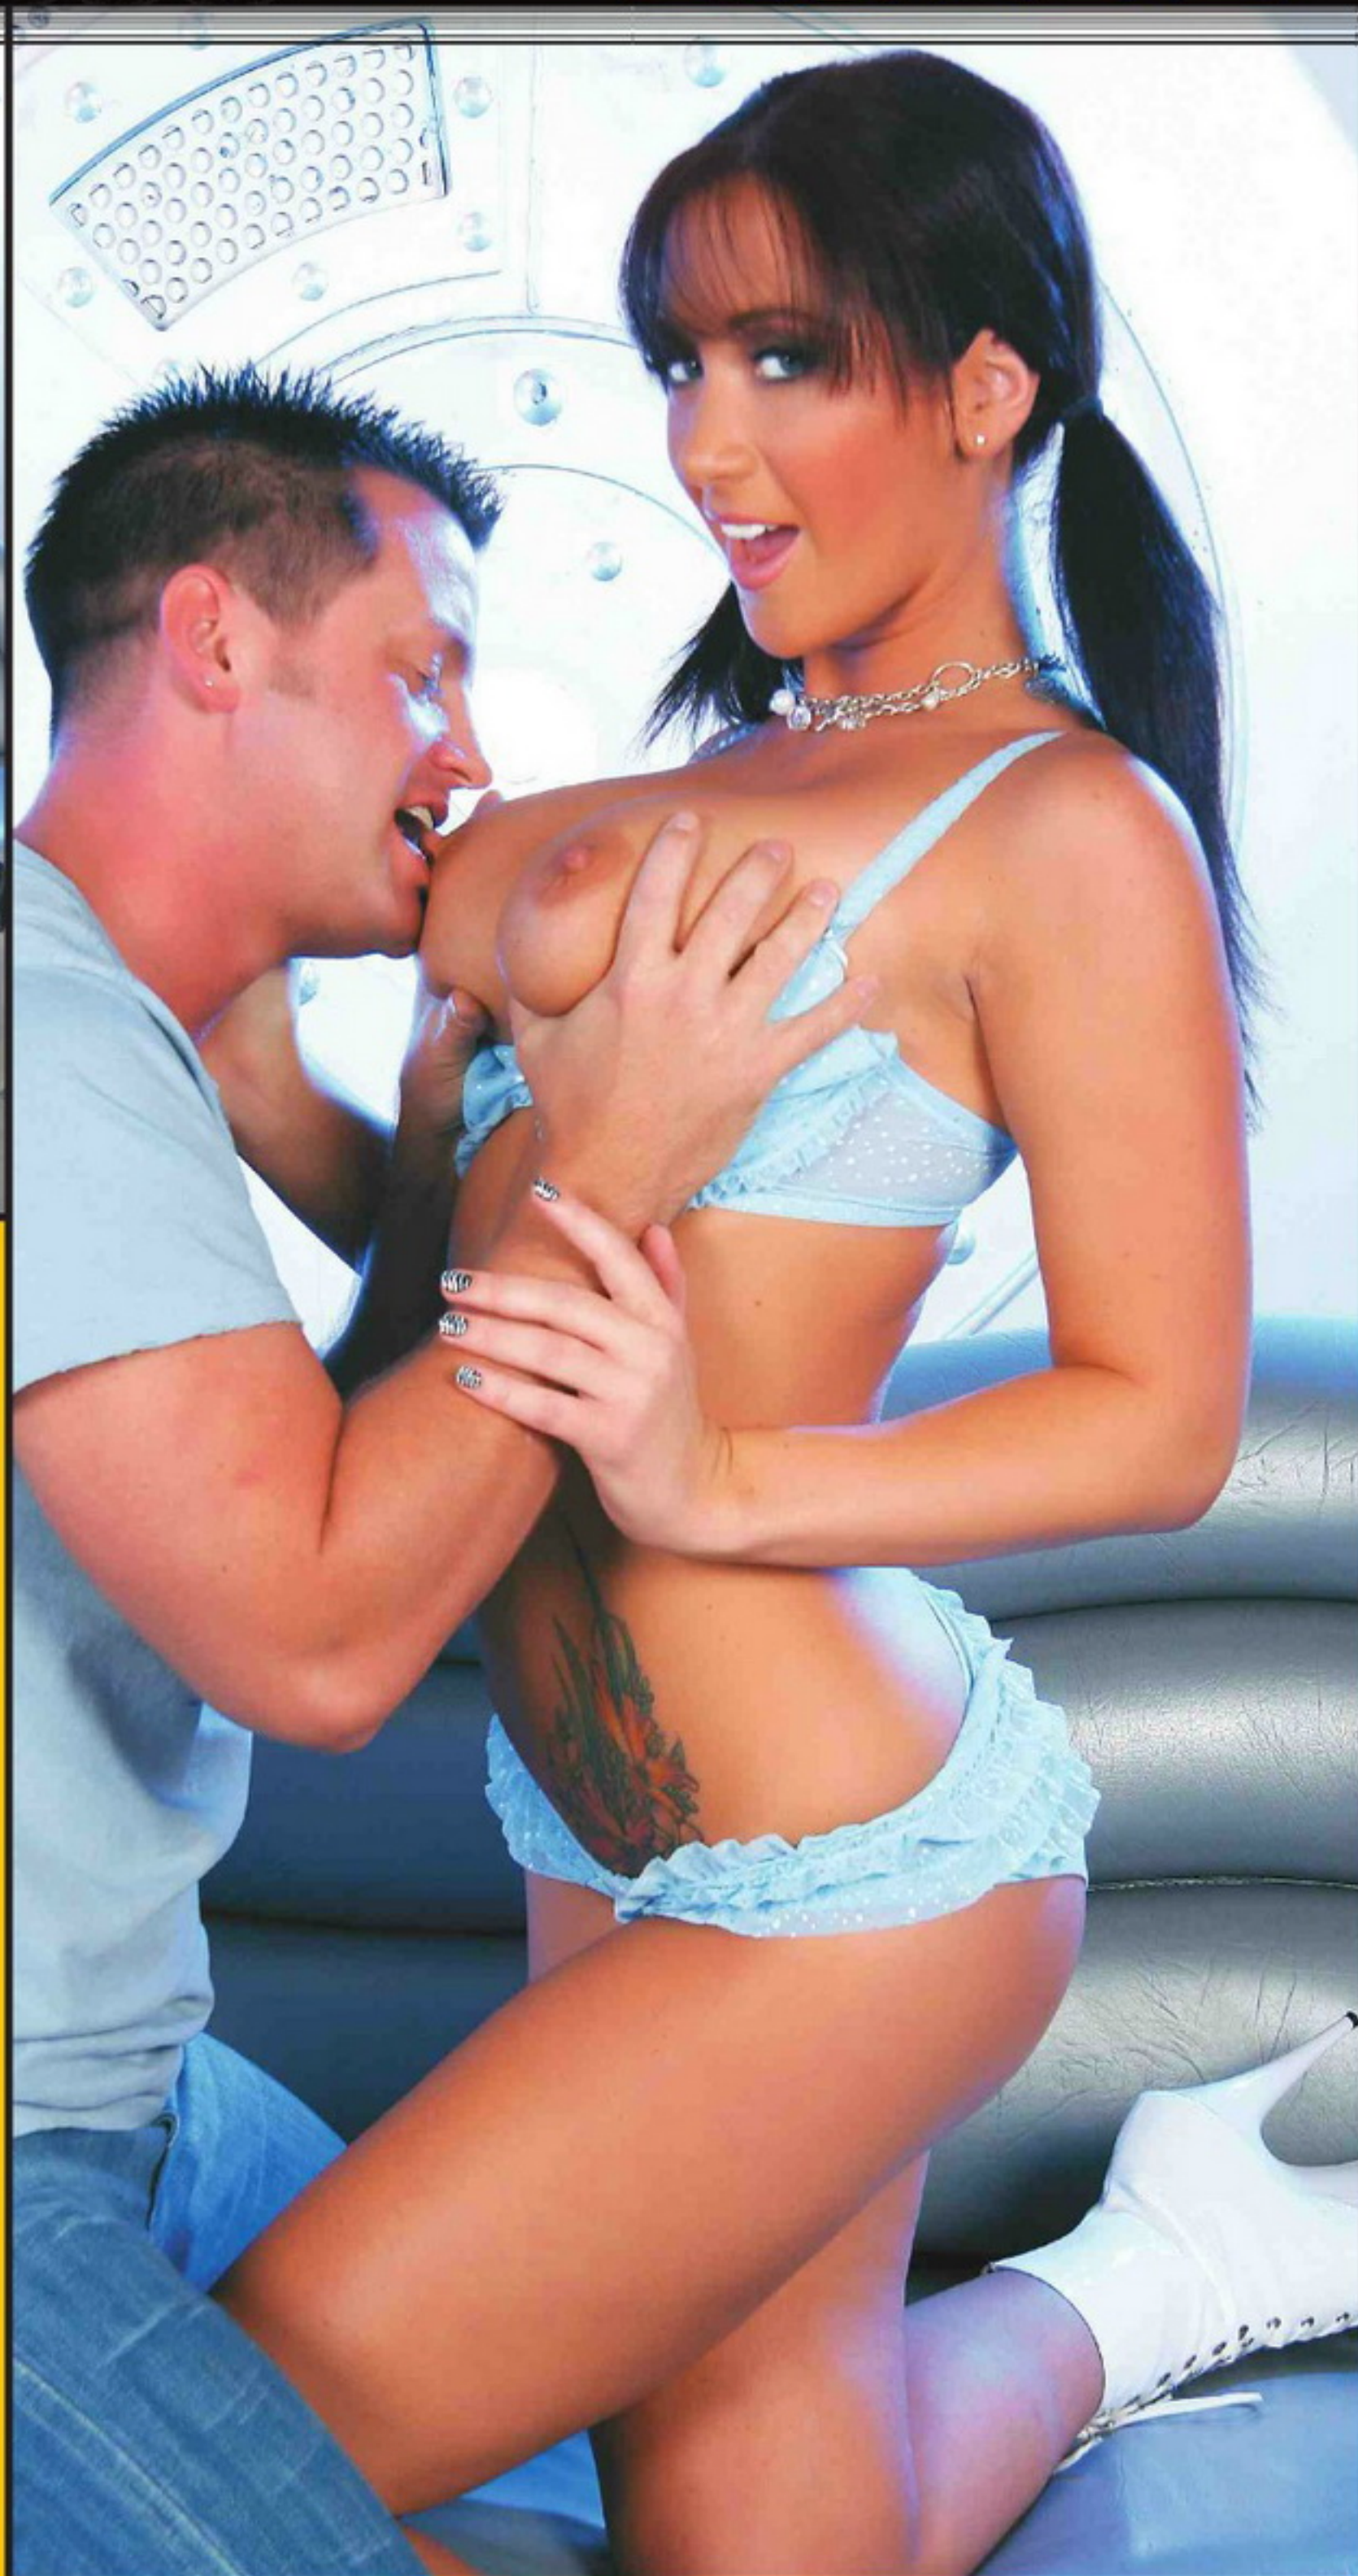

"Yeah baby. Drive that monster cock inside me and make me feel it," Jayden screamed as Eric plunged her pussy balls-deep. Suddenly her screams became louder and unintelligible as a gush of girl-cum sprayed from her box.

"Gimme that ass," Eric said, and Jayden climbed to all fours and lifted her sexy booty into the air. Eric wasted no time in parking himself behind her and driving his dong high and hard into her crack. Finally, when his cork was ready to pop, Eric took Jayden's arm and led her face towards the raging, red tip of his dick.

With a few last strokes, the first gobs of goo blasted onto Jayden's lips and poured down her chin.

"That's the kind of banging a horny chick like me longs for," Jayden said while slurping the cum from her lips. "Let's do that again, and I mean *real* soon!" ♣

THE MAIL SLOT!

Gina and I have a great thing, and I had no intentions of getting a piece of Lizbeth's pussy on the side. But I'd be lying if I said that I didn't occasionally spank out a load while conjuring up memories of my ex-girlfriend's killer tits and tight cunt in my mind's eye.

So one night I am out at the local dive bar with Gina, and who walks in but Lizbeth. I figured it was only going to be a matter of minutes before the fists started flying and hair started getting ripped out, but what actually happened could not have been more unexpected.

Gina and Lizbeth went into the ladies room to talk things out. Then, to my surprise, when the girls returned they looked a lot more like friends than enemies. They both walked up to me and said something like everything was going to be okay. With that, we went to the car where Gina wrapped a bandana around my head so my eyes were covered.

I didn't know where we were going, and it wasn't until the girls led me into an apartment and pulled off the bandana that I realized I was in Gina's old place. There really wasn't time to take in my surroundings completely, as the ladies began ripping off my clothes, and their own. Soon the three of us were naked.

Gina and Lizbeth dropped to their knees, and each helped themselves to a full and healthy taste of my dick. My eyes nearly popped out of my head as I watched my girlfriend and her hated rival sharing licks on my cock. I further became convinced that I was now in an alternate universe when the girls began deep kissing one another, and caressing each other's spectacular jugs.

I stood stroking my spit-soaked dick as Gina and Lizbeth worked into a 69 position. Seeing my girlfriend and my ex dragging tongues across each other's wet pussies left my nut ready to pop. I seized the opportunity to get back into the action and parked my cock in Gina's cunt doggy-style while she nibbled at Lizbeth's pussy on her hands and knees.

I pumped Gina's box full of cock as Lizbeth lapped at her swollen clit until my girl trembled from the orgasm that consumed her body. Next it was Lizbeth's turn to receive. My ex fell on her back as Gina sucked at her swollen nub and I laid into her pussy with the full force of my pipe. It wasn't long before Gina was spurt-ing cream from her box and screaming out in orgasmic bliss.

Having both of my girls satisfied, I took my release into my own hands. With Gina and Lizbeth on their knees before me, I jerked my batch onto their large and inviting racks.

I later learned that Lizbeth and Gina had made a deal. Lizbeth just wanted one more ride on my dick. Gina made the offer that the two of them would fuck me together, and once the fun was over, Lizbeth would never contact me again.

The whole thing turned out to be a win/win situation. Especially for me.

Pussy Double Dose —Arkansas

BIKRAM BANGING

I could swear that Stephan fucking me in the ass was real. I clearly felt his tongue licking my cum from inside my thighs, and I could almost still taste the warm coat of his sperm rolling to the back of my tongue and down my throat. The wet panties I was wearing while lying with heavy breath in my bed further made the case that I was on the receiving end of an epic slamming. But it was only a dream.

This one was not unlike the many dirty dreams I've had about fucking my yoga instructor in recent months, but this one made me realize that something had to give.

It isn't like I am not beautiful and don't get my share of attention from men. But there was something about Stephan that brought a burning sensation to my pussy. I wanted to fuck this man as much as I have ever wanted anything, and now it was time to walk through the fear of rejection and make my desire known.

My problem has always been my shyness. Between the sheets I am an animal, but the prospect of having to start a conversation with a man brings on an instant panic. So it was my plan of action to let Stephan know what my intentions were via the silly method of sneaking him a note.

I showed up early for our class at the gym, and while Stephan was engaged in a conversation with some other students I snuck over to his bag and slipped the note inside. The letter literally told him who I was and that I was having wet dreams about him. Then I let him know that if he wanted a fuck he'd never forget that he should meet me at the nearby hotel room I booked. That is a ten on the ballsy scale for me to do something like that, but I felt it was time to turn these dreams into reality.

I refused to make eye contact with Stephan during the workout, and I rushed out as soon as class was over. I sped to the hotel and waited patiently. It would be a good 45 minutes before there was a knock on the door, but Stephan finally showed up and was ready to cash in on my offer.

He grabbed me and kissed me deep and hard. Stephan quickly explained that he often

THREE'S CUM-PANY

When my wife, Gina, first found out my ex was back in town, I was given the ultimatum to stay away from her "or else."

I can't blame Gina for drawing her line in the sand with me about Lizbeth. Since the day I dropped Lizbeth, after I caught her with some other dude's cock balls-deep in her ass on my couch mind you, she's been making it clear that she is down for some make-up banging with me to set things straight between us. Lizbeth eventually took off for God knows where to get her shit straight, but now she was home, and with a greater appetite for my dick than ever.

fantasized about me as well before turning me around, stripping off my skirt and panties, and plugging his cock into my waiting cunt from the rear.

I was bent forward, bracing myself against the wall with my hands as Stephan banged me from behind with a force like nothing I ever felt before. I thought for sure guests from another room were going to call the police, because I was screaming so loud while Stephan was ripping into my peach with reckless abandon. Suddenly he stepped back, turned me to face him and stroked out an eruption of cum all over my cheeks, lips and chin.

Stephan took me in his arms and carried my naked body over to the bed. He dropped me on my back and buried his face between my legs. His tongue parted my pussy lips and he trailed the pinkish tip into my hole and up to the puffy flesh of my clitoris. I bit my bottom lip as Stephan's oral talents ushered me to a series of earth shaking orgasms that left me in a soaked stupor.

While still sprawled out on the bed Stephan crawled up and straddled my head. He dipped his ball bag down into my mouth, and I sucked his nuts while he stroked himself back to hardness.

Once his dick was at full attention, Stephan asked me to get on my hands and knees. With his cock still soaked in my pussy juice, Stephan got behind me and set the tip of his dick against my anus. I braced for the impact of his big stick being lodged in my ass, but after a few slightly uncomfortable strokes, my back door had little problem accommodating his oversized length and girth. After a long stretch of anal poking, Stephan pulled out and dropped his second puddle of splooge on my glistening ass cheeks.

Stephan and I have made "getting together" a regular thing after our classes. What I learned from this whole situation is the importance of going after what you want, especially when it comes to fulfilling your sexual desires.

SPECIAL DELIVERY

I just had to write and tell you the story of how one of my most embarrassing moments turned into some of the best sex of my life.

The blame really should be put on my buddies, because they usually set me up on my birthday with some stripper or whore to cater to my nasty needs. It used to come as a surprise, like the time they got a chick to pose as a lifeguard and perform some mouth-to-cock resuscitation on me at the cabana. Another time they took me out to the city in a limo, and the female driver turned out to be a cock-crazed freak that was only too happy to spread her lips for me in the rearview mirror, and later let me put the meat to her muffin in the backseat.

So lately when my birthday arrives, I sort of expect to get my dick wet at the moment when I should expect it least. Well, this year I'm sitting in my apartment and waiting for the guys to pick me up for dinner when the doorbell rings. God as my witness, the hottest fucking girl I've ever seen is at my door dressed in a uniform from one of those parcel delivery companies. She introduces herself as Angie and says she has a "package" for me. So, I'm thinking, "ok, here it comes." I invite her in and take the package. I thank her for the "special delivery" and ask her if she wouldn't mind if I gave her a tip. She enthusiastically said yes and I pulled out my cock, which by then was hard and raring to go. To my surprise Angie seemed shocked to see me expose myself. And if that wasn't awkward enough, Angie seemed like she was going to slap my face when I told her I was ready for my birthday blowjob.

Sensing that something was wrong, I asked Angie what the problem was. To my great shame it turned out that Angie was actually delivering a package and had nothing to do with any birthday surprise!

I began to apologize profusely while pulling up my pants. Realizing how embarrassing the whole situation was for me, Angie began to loosen up, and even giggle a bit. Then the night went in a completely different direction when she said that I didn't need to put my wood away so fast. With that she reached out and took the base of my shaft into her hand and began stroking the firm, thick flesh.

"Now, was that a blowjob you wanted?" Angie asked while putting her knees on the floor and taking the full length of my rod into her mouth. As she sucked my dick and her tongue tickled the underside of my tool, Angie popped the buttons of her uniform top open, and stripped off her shirt and bra. I took her perfect tits into my hands and squeezed

tightly as my dickhead clashed with her tonsils.

I pumped my cock into her face a bit harder as her hands reached behind me and clenched at my ass cheeks.

Angie pulled my cock from her mouth and looked up into my eyes, and asked, "Are you ready for your birthday fuck?" She then stood up to peel off her pants and shoes.

Angie took control and led me towards my own bed. She assumed the submissive posture on her back, and lifted her open legs into the air while pulling them apart.

I lowered my naked body onto hers and guided my roaring bone into her damp clam. Angie's body stiffened as my dick fit its way between her pussy lips. I started fucking Angie in missionary, while leaning over to offer playful nibbles at her hard nipples.

Continuing to the lead, Angie instructed me to lay down so she could climb on top and ride my missile in the superior pose. Angie felt my legs tighten beneath her, and realizing I was about to bust my nut, she hopped off my cock just in time to receive the full compliment of my wad on her tongue.

In case you're wondering, I wound up getting laid a second time that night from a girl my buddies hooked me up with. Still, no fucking before or since can come close to the chance adventure I had with my "special delivery" girl.

“I could live naked. I mean, I practically do,” Riley says. “But when I’m not fucking on screen, there’s something freeing about showing off my hot body and slutty mouth when there’s not even a man here—which means, no cock for me to suck.”

Just thinking about her wanton week, her pussy starts to cry—pulsing out its juices while she plays with it even more. “It’s funny how I can’t control myself—even when I’m in control of myself,” the Digital Playground starlet muses, poking her fingers in and out of her pussy.

“I pay no attention,” she says, humping her hips further. “Whatever gets me off is all I care about.”

With that, her lips start to purse, and the second she remembers getting rammed in doggie, her girl goo gushes out of her gash—drenching her horny fingers.

“That’s more like it,” Riley smiles. “I was born to be a smut star.” ♣

LEX TURNS EVIL

STARRING:

Brooklyn Lee, Asa Akira, Jada
Stevens, Chanel Preston, Anikka
Albrite, Alexis Ford, Lexington
Steele, Prince Yahshua

DIRECTED BY:

Lexington Steele

AVAILABLE FROM:

Lexington Steele Productions/
Evil Angel

In the popular world of interracial pornography there is one name that consistently stands out from the pack, and rightfully so. That name belongs to Lexington Steele, a heavily awarded director and performer who consistently delivers some of the best ethnic and interracial themed releases on the smut market today. With a new directorial contract with Evil Angel, Steele is now a member of an elite club of industry titans that includes the immortal John Stagliano, the late John Leslie, and Rocco Siffredi, to name a few.

Proudly arriving at another plateau in his legendary career, Steele remains a sexual virtuoso, creating palpable sexual connections with his pornographic vision. Consistently pushing our sexual boundaries and artistically displaying raw acts of primal coitus, Steele unapologetically delivers what IR fans crave. In fact, watching his filthy, multi-color creations unfold before us offers an experience more akin to being a participant in his nasty fantasies, rather than just being a spectator looking in. With a profound desire to share his talents with fans and critics, and an uncanny talent for pulling out the very best in his performers, Steele granted us a ringside seat to experience his pioneer release for Evil Angel— *Lex Turns Evil*. Stuffed with six of porn's sexiest white and Asian A-list starlets, what more could an interracial aficionado ask for?

Unable to hold back her lustings, the first scene of the day, starring Brooklyn Lee, is already underway when we arrive. Spreading her asshole open, the red-headed stunner happily stuffs her beefy holes with a black dildo that's been molded from the Man of Steele himself. Greedily ingesting the dong to expose the proficiency of her bottomless throat, Brooklyn sexily sighs, "I have a dream about taking a big black cock up my ass!"

Clearly choosing a different take on the 'I Have a Dream' speech our nation has come to know and love, the conviction in Brooklyn's voice and the lust in her eyes are blatant, intense and palpable. Crawling into the house on her hands and knees, we get an eyeful of her bubble butt, lean body and her red fishnet stockings that help accentuate her sculpted legs. In a word, HOT!

As Brooklyn continues jamming her clam full of fingers, we find Lex peeping on her from a nearby window. Stroking his cock at the sight of her red pussy lips and ripe ass, Lex is actually forced to take a few steps backward as his growing cock begins smashing against the glass window.

Once Brooklyn calls him in to play, she falls to her knees and begins devouring his chocolate bar like a

snake ingesting a mouse. With deliberate gulps and plenty of mouth, hand and throat coordination, Brooklyn succeeds in taking him down to the root. As saliva streamed from her lips like melting icicles falling from the rain gutters, Brooklyn showed us that she knows the exact way to please Lex's lumber. With natural light pouring over them, the color contrast between his dark skin and her creamy complexion is nothing short of breathtaking.

Full for the moment, Brooklyn happily takes a seat on his lap in the cowgirl position. With the camera strategically positioned, we literally see the exact moment of entry and the stretching that Brooklyn's buttocks needs to undergo in order to stuff this black stallion inside. After a few more moments, Brooklyn bounces atop his cock like a super ball. Upon tearing her red panties off her sweaty body, Lex ties the soggy material around his head like Rambo. After such stellar fucking, this move is completely understandable. After all, this isn't some amateur asshole he's dealing with!

Next, in an effort to acquire an ancient samurai sword, Lex, as a secret sex ninja, infiltrates Asa Akira's mountainous lair. Little does he know that this pint-sized spinner is actually an anal assassin that has him in her sights. After a sexy battle of the brains ensues and they come to a meeting of the minds, Lex yanks Asa's white lingerie open and flirts, "Put your weapon down so that I can show you mine."

Ready to play hardball with the handsome stud, Asa falls to her knees and begins entrancing his cobra like a snake charmer. Sinking his bear paws into her silky, black ringlets, Lex controls her proficient pout, watching her cheeks fill up as if she were smuggling jawbreakers. "Keep those eyes on me," he insists, now seemingly mesmerized by her almond-shaped peepers.

Once it is time to take things to the next level, Asa is more than happy to accept the reigns by sitting on top of his muscular thighs in reverse cowgirl. Just as Lex is about to stuff her wet wanton full of fudge pop, she tilts her body back further, allowing him to enter her tight Asian asshole. Wincing upon entry, it doesn't take long before Lex is giving her a royal pounding. As the action gets more robust, we can visibly see Asa's pussy lips tremble from the expansion of her sister hole down below. "I'm coming," Asa eventually moans, releasing her warm anal au jus across their heated crotches.

From here, Asa rests on her elbows with her hips up in the air. Locking his cock back into position, Lex connects with deliberate force. Now plowing her asshole from a new angle, we see the erotic astonishment wash over Asa's pretty face. In time, she chews on the edges of her black stockings to mask her moans. After a few more pumps, Lex sprays her face with his milk and remarks, "Agent Akira, we'll meet again!"

Following that stellar performance, we find Chanel Preston and Anikka Albrite working out by smashing their bubble butts against one another. Coming in to personally train the two sexy stunners, Lex wants to ensure their bodies are in tip-top shape for a new movie he is casting. "We hear your workouts are progressive," Anikka smirks, rubbing her asshole against Chanel's.

"Yes, I have my techniques," Lex smirks, placing his head between both beefy butt cheeks for a preliminary sampling. Unable to resist their rounded flesh and radiant rectums, Lex smacks, licks, sniffs, and fondles both double bubbles. Undoubtedly, this turns the two girls on like a light switch!

Now on their knees, the girls take turns polishing Lex's steele. While Anikka engulfs his shaft with her glossy lips, Chanel traces the bulging veins on his cock with her cotton candy tongue. Now lifting his shaft upwards, the girls happily accept one of his balls in each

of their mouths. "We have to ensure every muscle is exercised," he continues, watching these cocksuckers polish his pole as if it were made of platinum.

Taking the lead, Anikka is quick to jump on his cock in reverse cowgirl. In this arrangement, her ass takes the shape of a perfect heart. Like a well-oiled machine, Anikka gets to work, treating his cock as if it were a piston. Kissing her blonde friend while she rides the nightstick, Chanel makes it a point to keep herself in the mix. When it's Chanel's turn to ride the chocolate cockzilla, she decides to one up her bottle-blonde buddy by donating her asshole to the cause. What a slut!

As that scene concludes, we follow Prince Yahshua as he personally escorts Jada Stevens in to meet Lexington Steele. Overcome by her infamous ass and perfect body that is decorated from head to toe in black fishnet, Lex is unable to control his primal urge to populate the planet. In a moment of admiration and awe, he steps back for an instant and says, "I want you to fuck my buddy tonight. I'll watch."

Although a bit unconventional for her, Jada agrees to the request and energetically gets to work on sucking Prince Yahshua's pecker. With a mouth that is just as astute as her anus, Jada is the type of slut that impresses from top to bottom. As warm spittle dribbles from her mouth and her soft lips cry out for Lex, he is unable to resist the look of lust in her beckoning eyes.

Jumping into action, Lex throws his cock into the mix and watches Jada salivate on both chocolate sticks. With a one-way ticket to hog heaven, Jada eats both of these cocks as if it were her last meal on Earth. Having to step back on a few occasions, we can tell that Jada's mouth would be far too advanced for an amateur cock.

"Fucking fill me up," she eventually barks, once she comes up for air. Always eager to please, Lex positions her on his lap in cowgirl, impaling her puss with his pole. With her asshole wide open and fully available, Prince joins in, stuffing her asshole like a Thanksgiving Day turkey. Now double stuffed, both men treat this pop tart like a pincushion, popping her holes while treating her to multiple orgasmic blasts. The visual is second to none!

With plenty of seductive teasing and loads of fiery hardcore, Lexington Steele delivers another steamy bout of IR sex that includes a raunchy romp with blonde goddess, Alexis Ford. By delivering stellar scenes, expert camerawork, and over three hours of hardcore coverage, Lex and Evil Angel are proud to give you a solid bang for your buck! ♣

Tongues go into overdrive when this car wash play date becomes a clit lickin' four-clam jam

31013

Asa Akira, Kirsten Price, Melena Morgan, and Sammie Rhodes decided to host a porn star charity car wash in Los Angeles recently. Billed as "All Suds 'n No Studs," the frothy four-girl fiesta created a line around the block, with every hard dick within a five mile radius lined-up to see these sexy superstars rinse and lather their cars—and each other! The ladies scrubbed the vehicles as only porn stars could, taking a few breaks in between to lick each other's pussies and assholes clean too—a very thorough cleansing indeed! ♣

MIA MALKOVA

RAW

A pretty girl deserves a pretty plaything, and Mia shows you just what she craves...

32814

“Look at how my aching pussy longs for a deep fuck,” Mia pouts, spreading her pert petals. “I hate to see a pretty pussy like mine go to waste to only my fingers.”

Making sure her clit is nice and swollen; she grabs her trusty toy—rubbing it against her burgeoning button. “Mmmm...this feels just as nice as a warm, throbbing cock,” she moans—her lips quivering at the tender sensation.

Finally smiling from the insertion, her pussy begins to rain with every inch it reaches, until her tits quake from her sole streaming.

Licking up the rest of her serum, Mia mumbles, “That turned my frown upside down for sure.” ♣

DENISA & CHARLES

There's nothing she won't do to make your nut pop...

32013

“like a man who takes control when we fuck,” Denisa explained to Charles while she pulled down her shorts and panties. “So, for today, just think of me as your personal sex doll.”

That invitation chimed like music in Charles’ ears. To get the dirty fun started, he sprang the snake from his pants and ushered it into Denisa’s mouth. Charles told her to start her sucking slow, then talked her through more faster and aggressive head bobbing.

With the staff at full mast Charles paid it forward with a bit of masterful pussy licking before dropping the curtain on the foreplay, and burying his dick way deep in Denisa’s tangy twat. The humping commenced in the doggie position, then Charles put Denisa on his lap and plowed her reverse cowgirl style.

“I want to blow seed in my sex doll’s mouth,” Charles charged, and Denisa followed through by clawing to get her lips around his tool before he discharged his wad onto the back of her tongue. The stick was removed from Denisa’s mouth as she sucked in the last drips of cock lava from his tip.

“So what is it like to have your own private sex doll,” Denisa asked. “It’s something that I could definitely get used to,” Charles replied before making a date to hook up with Denisa again in the very near future. ♣

Allie Haze

Interviewed By:
Emma Edwards

ALLIE HAZE FUCK FACTS

Birthdate: May 10
Birthplace: Inland Empire, CA
Weight: 120 lbs.
Height: 5'7"
Measurements: 32A-26-38

She's very sweet, but far from innocent. Meet one of the porn world's hottest stars up close and personal...

What has been your proudest porn accomplishment to date?

Wow, that's tough to answer. There have been many accomplishments that have meant so much to me over the years. It's a tie between winning "Best Actress" and "Performer of the Year" for XBIZ awards. XBIZ usually never nominates me, so I was quite surprised. In fact, I wasn't even at the award's show to accept my awards. Just to clarify, I didn't just skip out on the show; I was actually out feature dancing. When I found out via Twitter, I was so surprised.

What scene best exemplifies you as a porn star?

It's kind of funny, because you are conducting this interview in a point in my career where I am changing my focus. I was just about to transfer over to a different style of porn. I feel like I haven't experienced enough to be able to pick a favorite yet.

That's a fair answer. So what "style" of porn will you be switching to?

I've been participating in romance-themed movies and parodies for some time now. I've also had an opportunity to do some Gonzo

scenes here and there, but haven't had a real opportunity to get down and dirty. My fans and the industry may see me in a certain light due to the movies I've been in. That is about to change.

How will the new Allie Haze get "down and dirty?"
Yes, the next evolution of Allie Haze will be to step out and perform in scenes that I want to do sexually, versus artistically. That means performing with companies such as Evil Angel, if that helps give you a better picture of where I'm headed.

Yes, that is all you need to say! Are there certain acts you are hoping to accomplish with companies like Evil Angel when you delve into more aggressive forms of sexual expression?

I try not to put any expectations on things, sexually speaking, because that is one of the biggest areas in life where a person can be let down. (Laughing) I'm looking forward to working with new directors. Also, I'm thrilled for the opportunity to work with the legendary, John Stagliano. The work he did with *Voracious*, the dramatic movie about sexy vampires was outstanding. The combination of what that movie represented best describes who I am now and who I want to become. I would love to work with Stagliano on a bigger product such as *Voracious*.

As of now, your asshole is still virginal, correct? I ask only because Evil Angel is heavy on anal-themed productions.
Yes, my ass is still a porn virgin. My ass may be de-virginized in the next year or two. It's coming. I promise not to leave the business without doing it. I'm not there in my personal life yet. My brain is still drawn to the fact that other women are so good at it. As a result, I'm more intrigued, right now, by watching the anal queens give up their asses. I haven't really wrapped my head around it yet. My head has to be in the game. I never got into the business just to do something for a dollar. I want to participate in sexual acts only, because it interests me artistically and is something I really want to do. I need to be ready for anal.

Do you think that some women are just more biologically shaped to handle anal sex with greater ease than others?

I still think it's all a head thing. A person just has to allow their mind to relax in order for their ass muscles to relax. Honestly, I still imagine poop coming out of a butthole, so it stills freaks me out a bit. (Laughing)

It's 11 a.m. When was the last time you had sex?

I just gave a blowjob this morning—no sex. I'm usually a giver in the morning, and not a receiver. Yes, this was in my personal life and it was hot!

Since you are a practicing bisexual, do you prefer the taste of cum or pussy juice?

Cum tastes a little more potent, so I really enjoy the flavor of it. Really, though, it's [a] 50/50 split. I'm such a bi all the way. It's always hard for me to pick one side of the fence or the other. It also depends on whose cock or whose pussy we are referring to.

What type of female attracts you?

I like somebody who is confident, and not afraid to live in her own skin. I've never been the type of person that focuses on looks alone. For me, it's all about connecting with a great personality. You can be a larger woman, but still have more confidence than any person has in the entire room. That person will turn me on.

Are there any women in porn that embody those physical and internal qualities that are attractive to you?

I'm constantly changing my girl crushes. I'm very intrigued by Stoya. We've never worked together before, but I love her whole vibe. I also enjoy working with and am very attracted to Lexi Belle. She's so sweet. I know her on a personal level, so my attraction draws from that relationship.

What male performers are you attracted to?

I'm spoiled for choice! With personality and looks included, I'd have to say Johnny Castle and Danny Mountain. Both of those men are delicious!

Once you make the leap into the Evil Empire, will you be excited to work with their more aggressive performers, such as Nacho Vidal and Rocco Siffredi?

I actually won an award for my work in *Rocco's American Adventures* [Evil Angel]. The award was for the "Most Outrageous Sex Scene" at the 2013 AVN Awards Show, where I took a load of cum in my eyes. Funnily enough, the only awards I've ever won from AVN have been [for] "Most Outrageous Sex Scene," so, the one time I try to dabble on the dark side, it really stood out.

Wait! You voluntarily took a cum load in your eyes?

Yes, I've done some pretty crazy stuff in my career. Sadly, it kind of got pushed under the rug, which was sad. I thought it was very adventurous and fun.

Aside from the whole stinging sensation, how did that work out for you?

Well, it doesn't really feel like that for me. Cumming in my eyes is something that really turns my partner on, so I'm all for that. Actually, it was something that Mark Davis asked me to do when I first got into the business. In the middle of the scene, he asked me, 'Where would you like me to cum?' Joking he said, 'In your eyes?' After a quick thought, I replied, 'Yes.' He stopped the camera and looked at me square in the face and said, 'Are you fucking serious, or are you just fucking around with me?' I smiled and said, 'I'm down, if you're down!' So, I got cum shot in my eyes. I've actually performed in three scenes like that—all for Evil Angel. For some reason, they just never made a big impact in the industry.

Since you previously mentioned that your partner is turned on by squirting cum in your eyes, will you try anything to get your partner off?

I'm big on turning my partner on. I'll gladly do whatever it takes. Knowing that they are turned on, turns me on. I'm not afraid to branch out and try new things.

Wow, Allie, I must admit, after following your career, and experiencing the types of romantic and parody movies you've been affiliated with—I'm shocked to hear about this bold side of your sexuality.

You guys just don't understand. When I first got into the industry, I got generally pushed into a different direction. Not that the industry molded me, it's just the types of jobs I was being booked for, made people think of me in a certain way. Because of the movies I've been affiliated with, the general business feels that that's the only type of work I am capable of doing. Nobody thought to ask, so it didn't happen. I'm not one to beg, so the rougher types of sex just didn't happen. So now, I'm trying to be a master construer, and construe my career in a different direction. I want to go hard!

In actuality, this is going to be wonderful for your career. As you continue transforming, you will be thought of as a sexual chameleon. Whether

the job calls for high-end romance, feature-driven acting, or balls to the wall Gonzo—you'll fit the bill.

Yes, that's my goal. I want my fans to watch me grow and be apart of my transformation.

Who has a delicious tasting cock in the industry?

There are so many great cocks to choose from. I'd have to say Lexington Steele. He's such a handsome teddy bear. I thoroughly enjoyed our blowjob scene together in *Star Wars XXX: A Porn Parody* [Vivid]. Unfortunately, I haven't worked with him nearly enough. We've only worked together three times. I really want to change that.

How did you decide upon your stage name, Allie Haze?

Originally, I only wanted to do web-cam work, and wanted to choose a name that started with the letter 'A', at the beginning of the alphabet. Allie just came to mind, and I liked it. Now, I got Haze from my fiancée's last name. Of course, his name is spelled differently, so Haze is just a different rendition of his name. I'm paying homage to my man.

After coming from a religious background and without having porn knowledge prior to your affiliation with adult—what is one of the biggest things you've learned about sexuality?

One of the craziest—and most interesting things I've learned is that pussies make fart noises. They call them queefs! That really freaked me out the first time I ever heard a pussy fart. Before porn, I never had any extra-neous, adventurous types of sex, so my pussy never had an opportunity to fart. In porn, when you're being tossed, turned, and molded into a pretzel—air is bound to seep up your pussy and then farted out!

Have you learned anything else, aside from queefing?

Sure, I also learned so much about masturbation. There are so many ways to masturbate your pussy. Before porn, I had no idea about any of it. I was so religious that I never really delved into personal pleasure. Once I discovered myself, and learned about the things that turned me on, I became a better sex partner.

Sadly, there are probably so many women in the world that have never spread their legs open and examined their pussy parts in a mirror.

Yes, I'm sure there are. In fact, I was one of those girls. I can remember not knowing exactly what my vagina was all about before joining the adult business. I've since learned what you can—and what you can't do—with your pussy. I now know what feels good and what doesn't. Pussies are magical things!

Has the adult industry helped shape you into an independent, empowered, and sexual woman?

I've always been an independent person, but didn't know how to act upon it. I always pushed harder for myself. Porn has made me much more confident with my body and with who I am. I've always been more of a curvier girl. Let's face it; I'm all hips and no tits. My body shape was always awkward growing up in high school. I was a cheerleader but always remained on the lower end of the totem pole because I didn't have that stereotypical perfect frame. The business makes me feel confident in my looks, and with my body.

Yes, porn is great for helping to boost the female image because there isn't one notion of beauty. In porn, beauty and sex appeal can be found in all different shapes, sizes, and color.

It's not always about the body type. If you are good at what you do, then that is the aspect of yourself that should be recognized.

Aside from performing in anal sex scenes one day, what else would you say in on your "Porno Bucket List?"

Before trying anal, I would love to try double vag. I need to find the right performers, and the right company to film it. That would be adventurous. The idea of two men being so comfortable with themselves and their sexuality that they could share a woman in that way turns me on. The idea of that is something that is incredibly intriguing to me. And, after I perform in some anal sex scenes, I'd love to try a DP scene. DP's are the next evolution of anal, right? (laughing)

Have you ever performed in a gangbang?

Yes, but only one! I feel like I really don't know what I'm talking about! I wish there were more! It's not up to me. I wish the fans knew that. They think I can call up the producers and say, 'Hey, it's Allie. I want to do a gangbang. Book it now!' It's not like that. It's not that easy. I wish life were that easy.

Well, maybe after you participate in more aggressive types of sex, and your audience and the industry begins seeing you in that vein, then perhaps you will get booked for those particular types of movies. I hope so! We'll see what happens.

What are some of your guilty pleasures?

I love to eat and cook. Some of my favorite things to cook are casseroles, barbecue foods, and sautéed foods. Those are my things. I'm a big foodie. I also love going to the river and camping. My family and my dogs are my whole life. My dogs are sitting here for this interview. I love them so much. I also love eating Mac n' cheese. The blue box—99 cents—you know the brand I'm talking about!

In reference to your work in: *This Isn't Fifty Shades of Grey: This is a XXX Parody*—from Smash Pictures—do you enjoy S&M in your personal life?

In my personal life, I do enjoy being submissive with my men. However, I love being more dominant with my females. I don't have all the equipment, or a special room in my house set up for that type of sex, but some S&M play can be a real turn on. When you eliminate one of the senses, then the other senses have to step up. This makes them stronger. The result is much more intensive orgasms.

When is the next time you'll have sex?

Tonight! The blowjob was just the appetizer. Hot sex tonight will be the main course! ♡

LISA & ALIZ

All Aliz wants Lisa to do is make beautiful music—and she knows exactly how...

"See, honey, you're playing it all wrong," Aliz musters, putting her student Lisa's hands on the keys. "It's like strumming a pussy," Aliz continues, "go nice and slowly at first, but then build up."

"You mean like this?" Lisa says, pulling up her teacher's skirt—gently playing with her soaked pussy. Placing her mouth over Aliz's full mound, she starts to gush—letting her homemade sweet sauce fill up Lisa's mouth as her teacher's hands pound on the piano.

"Fuck yeah! You got it just right," Aliz muses. "I think you're a natural." ♣

ISABELLE, BOBBY & LARRY

When it comes to penetration, Isabelle craves a double dose...

Isabelle walked over to Larry and Bobby, who were stroking their swollen cocks in preparation for their scheduled threesome. With wide eyes and a Cheshire cat smile, the blonde babe took stock of the impending mutual admiration affair. "Like I've always said, the only thing better than riding a hard dick to a blinding orgasm, is having a second bone to pop in my backdoor for extra pleasure!"

The men commenced separating Isabelle from her clothes while she took a stone shaft into each hand. One at a time Isabelle encased the heads of their pylons in the clutches of her lips, while Bobby and Larry fondled her fun bags.

In a rare moment when her mouth was not stuffed with cock, Isabelle looked up into the eyes of her suitors and beckoned them to take the action to a higher level.

"I was told I was going to get some double penetration, and that's what I came here for," Isabelle informed her accomplices. "So, I want you to fill my ass and pussy with this hard dick, and please, don't hold back!"

With the gauntlet thrown down, Bobby propped himself on the bed. Isabelle got on top of him and wedged his cock in her twat while Larry prepared to slide his into her anus.

The men banged her lower holes with a mettle and boldness that was up to Isabelle's challenge. The screwing sent Isabelle into a frenzy of screaming climaxes, and she was still recovering from the sexual onslaught when Larry and Bobby were hosing her down with pearly batches of penile paste.

"You two are filthy, horny, sex-crazed monsters," Isabelle charged at Larry and Bobby as she massaged their cum into her tits. "And that's just how I like my men! I hope we can all do this again sometime." ♣
